

# A Time For Action

Raul Reyes - President, Life Equip Global

James 2:14-17

“What good is it, my brothers, if someone says he has faith but does not have works? Can that faith save him? If a brother or sister is poorly clothed and lacking in daily food, and one of you says to them, “Go in peace, be warmed and filled,” without giving them the things needed for the body, what good is that? So also faith by itself, if it does not have works, is dead.”

Ezra 10:4

"Arise! For this matter is your responsibility, but we will be with you; be courageous and act."

Hopefully, you have been challenged by what has been shared in the Life Equip Global documents. Preborn babies are being murdered by the thousands or tens of thousands in your community and country. How could anyone who calls themselves a child of God stand by quietly and let this happen in their nation?

Hopefully, the Lord is stirring up your heart. You probably have felt a variety of feelings including:

- Anger at the evil work of Satan
- Guilt or remorse from your own personal sins
- A resolve to make a difference

If you felt anger at the evil one's work - good! Turn that anger into righteous action by becoming an agent of Christ's love.

If you felt or feel guilt or remorse, that's o.k. That is your conscience responding to God's truth. Deal with it by going to someone you trust - perhaps a Pastor or trusted friend, and together bring your sins before the Lord. He stands ready to hear and forgive. The Bible says bear each other's burdens and confess your sins one to another. Remember, we need community, and it is in community that we function best as the Body of Christ.

Finally, if you have resolved to make a difference, we want you to take the first steps to create a plan to make a difference.

First, spend time in prayer. Confess your sins, pour your heart out before the Lord and ask Him to show you how He would have you respond. Then write down what you hear.

Next, what has God called you to do? What is it He wants you to address? It could be anything from planning to teach the Life Equip Global training to others, perhaps to your Church or in a small group, or equipping men to resist sexual temptation, or how to encourage men to be better spiritual leaders, or how to offer healing to women who have abortions, rape or sexual abuse in their past. Or it could be something like starting a Pregnancy Ministry.

Some more questions to ponder. Who are you being called to serve? Who will be involved? Who will lead the initiative? How is He calling you to do it? How do you propose to accomplish this task? From whom do you need permission? List all those who need to be involved to make the plan a success. What resources are needed? Where will it take place? When will the plan get started? Answer these questions and any other details necessary to make the plan a success.

Feel free to contact us at Life Equip Global and we will engage with you to accomplish your/His vision and freely provide any answers or training material that we have at our disposal. You should also review the material on this website found under Pregnancy Ministry Models.

Together we can respond to this Global Abortion Holocaust and see countless lives saved and won to Christ.
